

Catering Policies

Rockford Public School's Catering Department wishes to provide for you with the finest products available on the market today at a reasonable cost for your special events. Please call our office within five days prior to your event to guarantee the best possible prices and service. We will do our best to accommodate last minute requests but cannot guarantee if less than a 48-hours notice is given for increased customer counts or changes and adds to menu selections.

All cancellations must be received in the Food Service Office three (3) working days prior to the scheduled event. Failure to do so will result in charges incurred from event purchases.

There is a \$35.00 delivery charge for non-district building orders under \$300.00.

A 2% late fee will be added to invoices over 60 days after the event.

Preprinted menu prices may vary due to market price fluctuation and product availability.

In the event of School Closings, the catering will be considered void unless other arrangements are made.

All pre-established prices in this brochure reflect food, labor, paper products and overhead. They do not cover rentals or decorating fees.

Listed in this brochure are mere suggestions for your catered event. Please keep in mind that these items by no means represent the limit of our cuisine. We will try our best to modify or create a menu to accommodate your individual taste and budget.

Note: Pricing may be adjusted for larger group orders.
